

THE MALONE SOCIETY

ANNUAL REPORT, 1918

FOR 1918, as for the three preceding years, no publications have been issued and no subscriptions called for. The Society will now be able at an early date to resume its activity; this will be facilitated if new editors for publication are found. The next Annual General Meeting will be held early in 1920, when the Council will be able to lay a scheme of work before the Society; a subscription will be called for in January of that year.

Nine new members have joined the Society, and there are neither deaths nor resignations to report.

It will be seen from the Statement of Receipts and Payments that the Society has a balance of £65 at the Bank in addition to its investment of £250 in War Loan Stock, and is therefore in a strong position to face a resumption of work.
